Kokonaisuuksien hahmottaminen ja kyky niiden hallintaan on yksi aikamme elintärkeitä haasteita. Tilaisuudessa on yleistajuisia esityksiä teemasta systeemianalyysi, jota usein kutsutaan ”Paremmen tieteksi” – The Science of Better.

Peter Senge on uranuurtaja systeemijattelun tuomisessa yritys-, ympäristö- ja koulumaailmaan.

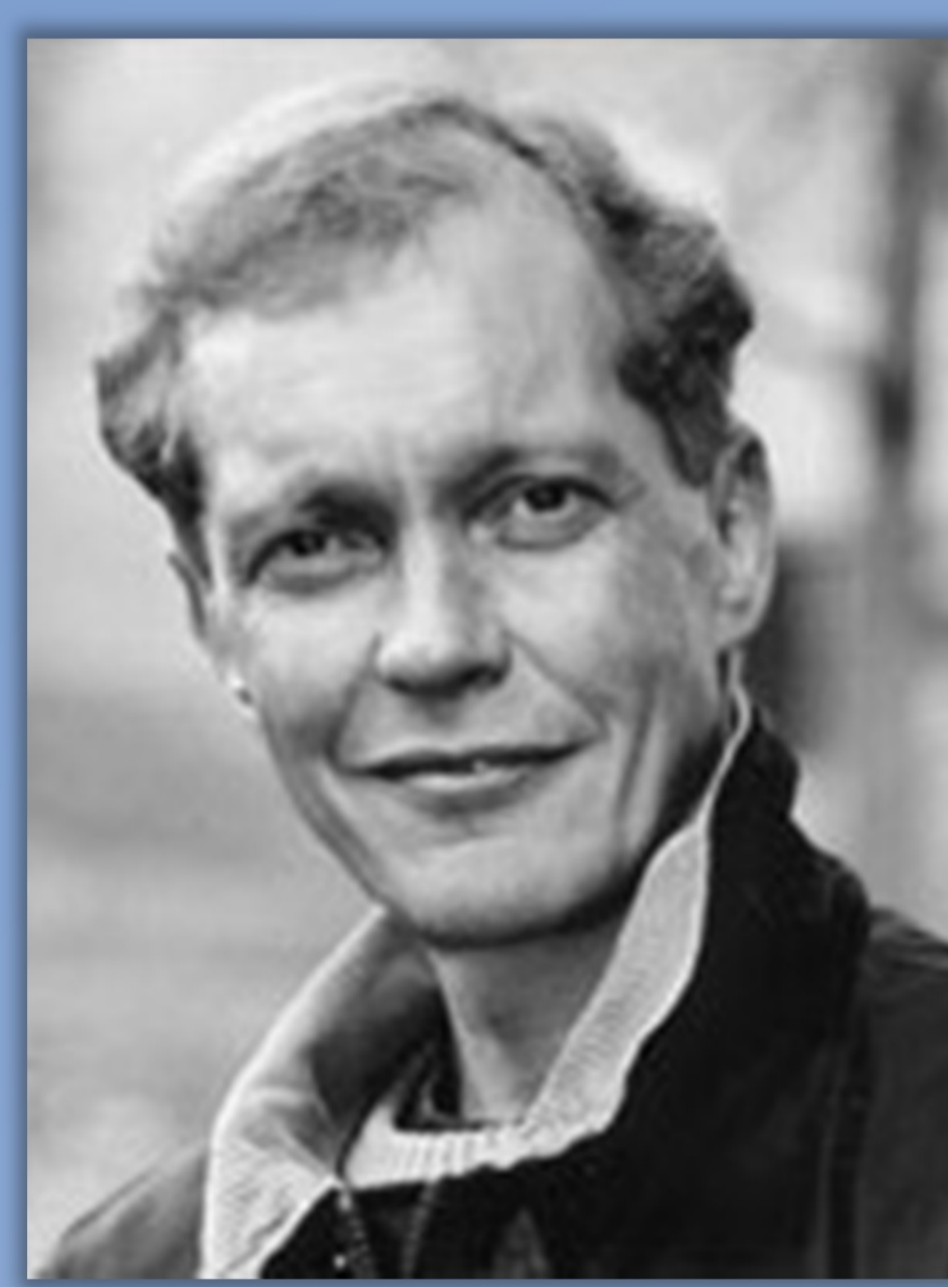

Peter Senge is a Senior Lecturer in Leadership and Sustainability at the MIT. He is the founding chair of the Society for Organizational Learning (SoL). BusinessWeek (October 2001) rated Senge one of the top 10 management gurus.

Ohjelma/Program

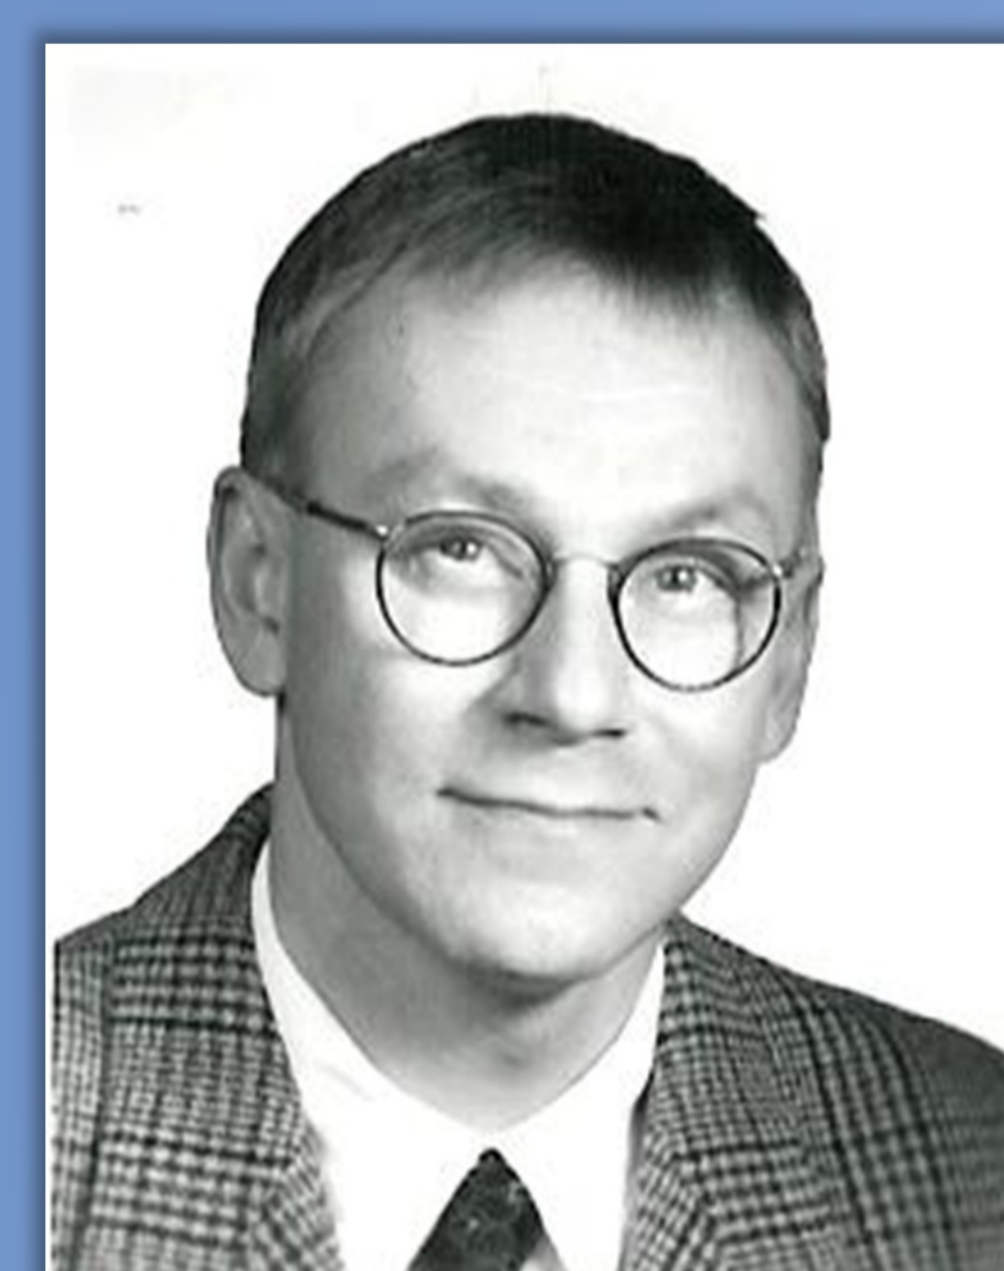

- Moderator Dr. Eeva Vilkkumaa
- 8.30 Morning Coffee and Get-Together
- 9.30 Raimo P. Härmäläinen
Milestones of Systems Analysis
- 9.45 Harri Ehtamo
Games People Play
- 10.00 Ahti Salo
Understanding Systems of the Future
- 10.15 Poster Exhibit and Refreshments
- 10.45 **Keynote: Peter Senge**
Systems Thinking for a Better World
- 11.45 Esa Saarinen
Systems Intelligence as Life Philosophy
- 12.30 Launch of the book:
Raimo P. Härmäläinen, Rachel Jones and Esa Saarinen:
Being Better Better – Living with Systems Intelligence.
Complimentary copies will be available.
- 12.40 Closing of the seminar
- 12.45 Interaction with participants with toast and light snacks

Raimo P. Härmäläinen
Founder and Director of the Systems Analysis Laboratory. Co-director of the Systems Intelligence Research Group.

Harri Ehtamo
Professor, Systems Analysis Laboratory.

Ahti Salo
Professor, Systems Analysis Laboratory, Vice Head of the Department of Mathematics and Systems Analysis, Vice Dean of the Aalto University School of Science.

Esa Saarinen
Professor of Applied Philosophy and Co-director of the Systems Intelligence Research Group.

Systemianalyysin laboratorion 30 v. juhlatapahtuma
